LOCAL BREVITIES.

The O. D. H. S. Ball on the 14th.

The Sons of Herman Ball at the Academy of Music on the 14th. Don't forget it, or you will miss a good thing.

The Woman's Christian Temperance Union will meet at Mrs. Scott's residence on Saturday, December 10, at 2:30 P. M. A full attendance is desired.

The A. O. U. W. will give a big ball at the Academy of Music on the 30th inst. It will be the finest of the season, and don't you forget it! Admission, per couple, one dollar. County Court is in session, and will continue, probably, until Friday. A petition with 400 names, asking a local option election, was presented on Monday. The action

of the court thereon will be taken to-day or to meet the ladies of the place at 3 P. M. in

insert it this week. It will appear in the sext issue, and it's a daisy! The best careful in the future. document we have seen for years.

Those two men who visited my chickenhouse in Pilot Knob, and took four chickens therefrom last Thursday morning at 2 o'clock A. M., had better choose a darker time and not deposit them in's white sack; be more cautious or you may get hurt. G. R.

We received several communications this morning, too late for publication this week. Will our correspondents please get their articles to us not later than Tuesday noon of newsy and interesting, and we don't like to defer their insertion, but we can't avoid it. It is a rigid rule with us to get the REGISTER

Ed. Register-Several weeks ago there was put on foot a movement to organize a kind of choral class or singing club in Ironton. The object was to promote the art of vocal music. I hear nothing more of it. house, and guarantees better work than ever. Will some one please inform us through the Give him a call. columns of the REGISTER wha! has become of it? I have heard several inquiries lately Respectfully,

INQUIRER. Corn this season has been reported generally not very good; now whether this means quantity or quality, we are not able to say, Louis. but we do say that we have received a sack of meal from T. B. Lowe, Esq., that has never been excelled as to quality, ground in his celebrated water will near Des Arc. supply store at his blacksmith shop. As to whether this results from the quality

will be sent to the Dead Letter Office.

P. H. JAQUITH, P. M. Jas. W. Dixon, of Arcadis, W. A. Fletcher, P. W. Whitworth, L. J. Giovanoni and Joseph Huff, of Ironton, spent four days on to talk local option already. We have had our share of drouth fire, smoke, and Second readers and was well pleased a hunt in the vicinity of Green Bay, on Black River, last week and the result, so far as we can learn, was one coon, aged 93, three Some of us will favor the measure and some can learn, was one coon, aged on and that "the fishes of appreciation are besquirrels of uncertain age, and one duck will oppose it. Of course "Granny" can": that the wheat plant was withered and ginning to spawn." If you want to successwhich they didn't get. From remarks dropped by the various members of this hunt, we foretop and march him up to the polls like ground to such an extent as to make it much learn that there was a difference of opinion a man and see that he votes all right. as to who should get the wood and keep up carry the game, and the kind of fish to catch, and who should prepare them for the table. The next meeting of the committee will be has been burned over by forest fires. No The dispute grew so bot that they concluded in Kansas City some time this month. Bids little trouble and labor was incurred by ing friends in Ironton. that to kill game or catch fish might create will then be received; afterwards the comhard feelings; so, by a unanimous vote, they mittee will visit various places. This is a resulted to any one near here from them. resolved to go home three days ahead of big thing. Something near a hundred thoustime, which they accordingly did.

Drug stores are generally avoided because the name is associated with quinine, antibilious pills, blood purifiers, porous plasters, surgical instruments, &c., unless you are in pursuit of something of that kind. A visit, however, to the Ironton Drug Store, kept and take a look at this beautiful valley. by Capt. Crisp, will knock sky-high all previous notions in this connection. Instead of we might get the masonic home established pills and powders, you will see, on either in our midst. Everyone knows that Arcadia hand, as you enter the door, a magnificent display of goods that effectually drives all of the above named places. Whoop the notions of drugs from the brain. Here, on matter up, Mr. Editor; let's not be behind your left, you find a number of magnificent in everything. We may get this home eswith everything that the society young lady can possibly seed, and many others we could possibly seem no need for, until explained by the every present and accommodating hetters that of the Captain. By the way, here is a present to their duckey: just ask Mrs.

The rais has come at last and Big Creek, half of the Captain. By the way, here is a present to their duckey: just ask Mrs.

Orisp, and if she can't tell you just what you want, no one close can. There is beautiful want, no one close can. There is beautiful want, no one close can. There is beautiful mill, near Brunot, but I am afraid the bad roads will cause him, as well as others, to have an "elephant" on his hands this winter.

We had the releasure Point of the point of the point of the page solicities. I am sure they in their owners would willingly part with for a reasonable price, but one can scarcely realize one-half the intrinsic value of live stock here now.

It is mediate possession and reason for selling fiven on application to the place solicited. Immediate possession and reason for selling given on application of the place solicited. In mediate possession and reason for selling given on application of the place solicited. In mediate possession and reason for selling given on application.

Last year agents of the Phonix Fire Interests and company. Now that the time for twelve months, is past for the page and induced very many into patronizing said company. Now that the time for twelve into this point now will have "a hard road to travel."

I will give a reward of \$15 for such information as will secure the arrest and conviction of the malicious thief or thieves who, on about the 16th of October, stole one because. The reward will be paid in cash immediately upon conviction.

Tunnel Driftings.

"Tunnel Driftings" are very scarce this week. Mr. Ed. Craine went to the Future Great on Saturday. All contracts mission. were measured on the 30th and relet on December 1st.

Mr. Botsford has met with the misfortune of losing one of the drill holes that he was that recently took place here, the company putting down for the company at a depth of 220 feet. I expect Mr. B. thinks the south little short of astonishment. side of Pilot Knob is very troublesome material to get a drill hole in.

The small electric light house is made into "changing house." There was allarge stove put in it, and I should think it to be a great benefit, as well as comfort, to the miners. There were many rumors in circulation before the end of the month about the working of the mine. Some had the work entirely suspended, others had one hundred men discharged. The first came and all the Mrs. lda F. Burr will lecture on Temper- change I can see is just a few "straws" left ance at Pilot Knob Chapel on Monday even- off, and, to balance them, the machines are ing, December 12, at 7 o'clock. She desires running double turn, which means employment for the regular force.
